5

REASONS TO CHOOSE DSMU

1. GEOGRAPHICAL LOCATION

The educational institution is located in the heart of one of the most original and beautiful republics of the Russian Federation of Dagestan. Located between the Caspian Sea and the Greater Caucasus Range, Dagestan is famous for its hospitality, temperate climate, fresh air and crystal clear water.

The university is located in Dagestan's capital city Makhachkala. Students of the University have the opportunity to get acquainted with the centuries-old traditions and customs of the Dagestani people, as well as learn about various aspects of their culture and way of life. In addition, there are numerous natural and cultural attractions near the university, which allows the students to combine their studies

2. QUALITY OF EDUCATION

International students receive world-class learning by participating in innovative programs and research. Excellent clinical exposure: The university is affiliated with multiple hospitals with a capacity of more than 8650 beds. Students get the chance to do their clinicals in these hospitals hence gaining a lot more knowledge practically.

3. ACADEMIC MERIT

Small classrooms, full-time teachers dedicated to student success and a huge number of opportunities for students such as tutoring, personal counseling and pathways for all-round career development.

4. DEVELOPING STUDENTS LEADERSHIP SKILLS

The university provides many opportunities for international students to develop personal and leadership skills such as volunteering and participating in student clubs, programs, and organizations.

The university provides students with the opportunity to become mentors or world leaders which in turn contributes to increasing the personal diversity and multiculturalism of the university.

5. SUPPORT FOR INTERNATIONAL STUDENTS

Comprehensive support from the International Education Department from helping students with cultural adaptation to one-on-one immigration and study counselling by experienced counsellors.
