- MORE THAN 18,000 GRADUATES.
- 22 RESEARCH LABORATORIES.
- Prime Location in Cyprus.
- Globally recognized Degree Programs.
- Course duration 5+1 Years.
- Social and active campus life.
- Separate boys and girls, five star standard accommodation in campus.
- Authentic Indian Food.
- Friendly people and safe environment.
- Medium of instruction is English.
- Weather conditions similar to weather in India.

Hospital

Girne American University is attached with huge private and government hospitals with a huge capacity of beds. This gives students a huge scope of knowledge in practicals/clinicals with patients. Students do their clerkship in these hospitals. It is here where they gain lots of practical knowledge. Sometimes they work continuously for many hours without getting break and students say that they feel happy during this time as it makes them more confident, experienced and prepare for their future life as a Doctor.

Sports

On the territory of the university campus there are more than 20 clubs for various sports interests.

THE FIRST AND LEADING UNIVERSITY IN CYPRUS

Girne American University (GAU) was founded in 1985 to be the first university in Cyprus. Innovation and commitment to excellence have made GAU one of the largest university in Europe. The goal of the university since its foundation is to provide comprehensive higher education of excellent standards for students of different nationalities in North Cyprus.

The GAU is an international university with more than 18,000 students from around the world. As a student of GAU you will be guided and supported by your peers, academic advisors, lecturers, and the entire global GAU family in order to discover your potential beyond any horizon in your quest to achieve your future ambitions.

Recognised by NMC and WHO.

- Separate class for girls and boys from India.

Prof. Dr. Barlas Aytacoglu
Dean
Faculty of Medicine

MESSAGE FROM THE DEAN

Welcome to the Faculty of Medicine at Girne American University. Your dream of becoming a doctor has just begun, and during the course duration you will have many wonderful opportunities to see a broad range of things within the sciences of medicine and health.

You will have the opportunity to interact with our faculty members who come from many different disciplines of medicine. In addition to clinicians, you will learn so much from our basic medical scientists. Take advantage of these moments to gain new experiences.

Ask questions, Do not hesitate to ask for help. Our faculty members, including myself, are always available and glad to provide mentoring and advice to you. Our staff, especially the people and resources in the Student Affairs Office, are here to help guide you through your medical education. Collaboration and teamwork within the healthcare system is essential, and you will be a part of that important team.

Welcome again!

We are delighted to have you here as our newest learners.

MESSAGE FROM THE CHAIRMAN

Warm Welcome....

"I congratulate you on the choice of becoming a doctor which offers a combination of intellectual and moral interests found in no other profession."

You have chosen a very noble profession and I would like to see you becoming a top doctor in India or any part of world. Girne American University is the first and leading university in Cyprus which provides you with all the necessary resources especially great clinical exposure to become a learned doctor with moral ethics and serve the humankind. Always remember, humanity comes first. After God, Doctor is the one to save a life. Study well and become saviours in future. My best wishes are always with you for your success.

All the best!!!
